

Fire TV Stick Install - Quick Guide

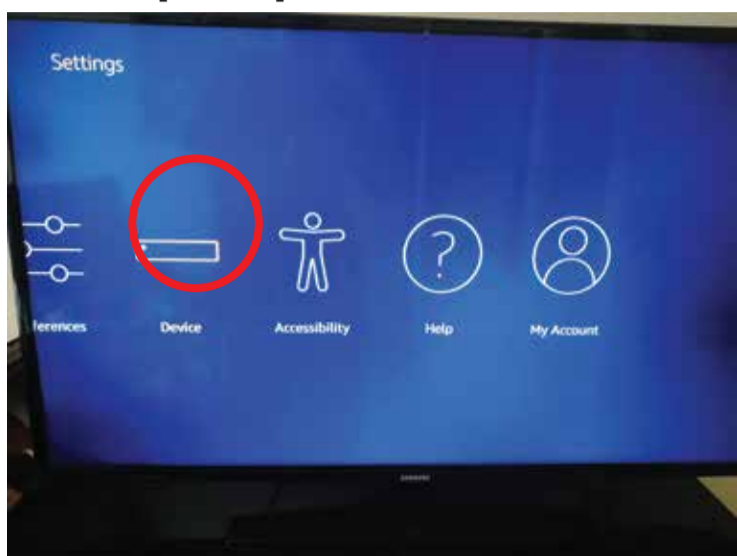

Please install on any Android device including Amazon Fire TV Products

Turn on your Fire TV Stick and click on **Settings** on top right.

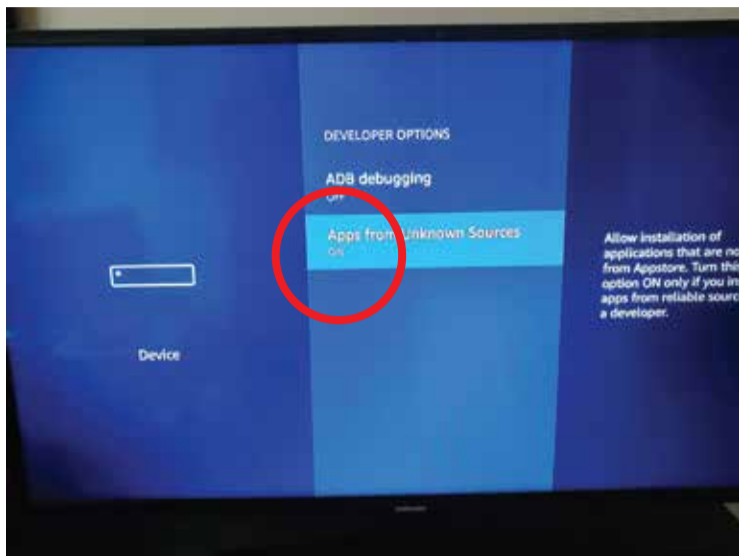

Adjust Setting For Download:

Click On **"Device"** and choose **Developer Options**

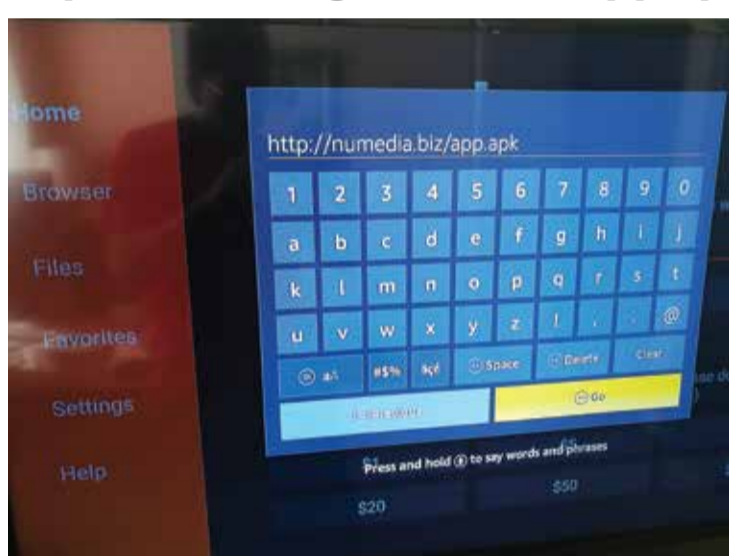

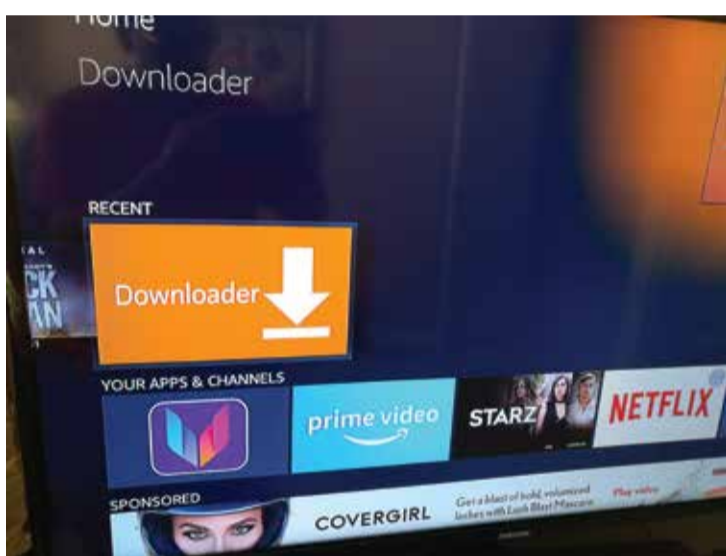

In the Developer Options, choose **"Apps from Unknown Source"** and turn **ON**

Download NuMedia:

Find and Click open your **"Downloader"** app from your Apps & Channels All menu

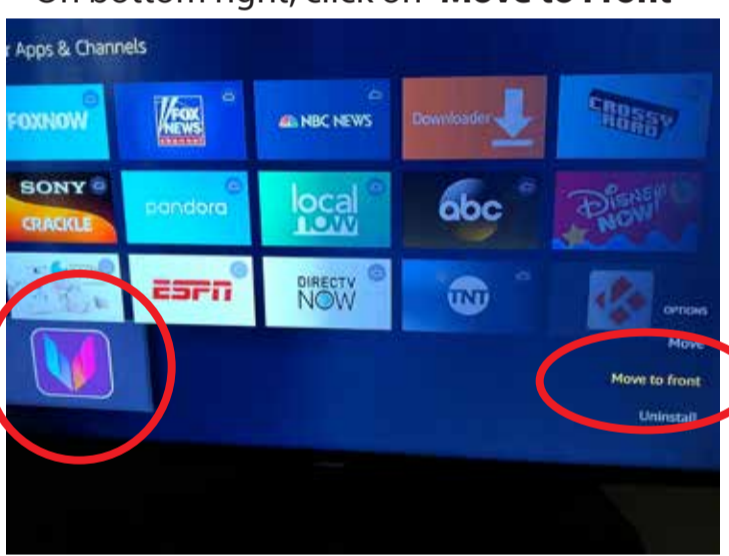

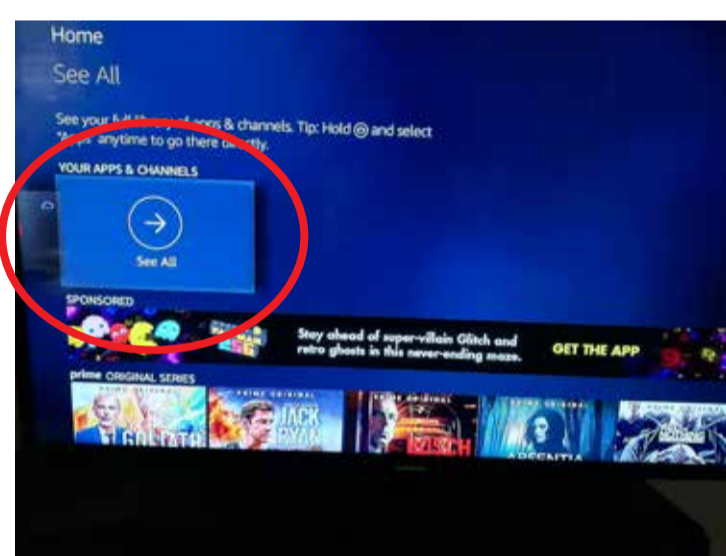

Enter this URL to download and install your NuMedia App: <http://numediaglobal.com/app.apk>

Placing NuMedia Player on front page:

Go to **Your Apps & Channels** and click on **"See All"**.

Find NuMedia icon and click hold for 3 seconds
Click on **≡** button on your remote.
On bottom right, click on **"Move to Front"**

Enter your NuMedia Account **Username** and **Password** (that we email you to re-activate your account) and click on **Login**

Note: Your NuMedia username and password is different than your office login

Click on **Live TV** to start enjoying your NuMedia
